WINEMAKING

Chapel Down own vineyards across the South East of England, which provide the finest conditions for grape growing. England's cool climate enables them to produce truly world-class sparkling wines, aromatic white wines and elegant light red wines from grapes such as Pinot Noir, Chardonnay, Pinot Blanc and Bacchus. The nearest vineyard to here is 36 miles away, you can also visit the winery in Tenterden Kent, where you can learn all about the winemaking process. Please visit the Chapel Down website for more details:
