London's most Sophisticated Cocktail Bar at the Historical Le Meridien Hotel. Our story goes back to 1908 when the hotel first opened under the name of Piccadilly Hotel. Designed by the architect Richard Norman Shaw, in Neo-baroque style. Through the decades it has been passed down to many owners, like the very first Harry Deeley. At this time the hotel even enjoyed the royal patronage of King George V. If one thing hasn't changed since the last century, it's our unshakable passion to be the best. Please try our signature cocktail selection, prepared by experienced Bartenders.

Sit back, relax and enjoy the Luxury.
